- * Take hit inside & free hits in extreme deep attack
- * Centre the ball especially approaching attacking back line with firm hard hit
- * Lead from side line into ground to create space on wing.
- * Push up deep to pressure opposition defence.
- * Score goals!!

In Defence

- * React immediately & face all free hits in your zone. 5 yards from hit with stick on ground, eyes on ball.
- * This continues to the end of the defence mid- field zone.

Attack Zone

Defence Zone

INSIDE RIGHT

In Possession

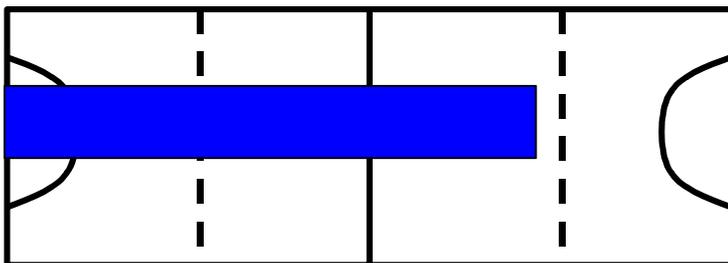

- * Link defence with attack as outlet or link player. eg. HB's or CH.
- * Set up right wing & centre forward attacks.
- * Work with inside left switching positions or passing square to build attack esp. near 25.
- * Push into the goal circle & score goals!!

In Defence

- * Mark opposing inside left immediately.
- * Defend & cover opp. left inner back to just outside our defence circle.
- * React immediately and face all free hits in this zone.

Attack Zone

Defence Zone

CENTRE FORWARD

In Possession

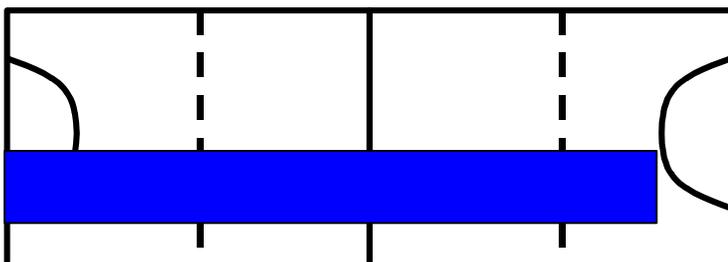

- * Be a pivot player especially in mid field attack creating space & passing to right or left wings or inside fwd.
- * In shooting circle 7 yard spot is area you must pressure.
- * Score Goals!!

In Defence

- * Face all opposition free hits right back to nearly the defensive 25 yard line.
- * If opposition centre half is carrying the ball, tackle back on him/her to pressure or dispossess.

Attack Zone

Defence Zone

INSIDE LEFT

In Possession

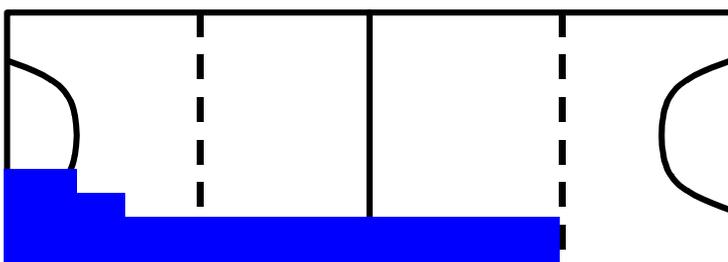

- * Link defence with attack as outlet or link player. eg. HB's or CH.
- * Feed ball right, looking for right inner in our attack mid field & esp. our attack 25.
- * Build left side attack by feeding left wing or centre fwd.
- * Push into circle to score goals!!

In Defence

- * Mark opposing inside right immediately.
- * Defend & cover opp. right inner back to just outside our defence circle.
- * React immediately and face all free hits in this zone.

Attack Zone

Defence Zone

LEFT WING

In Possession

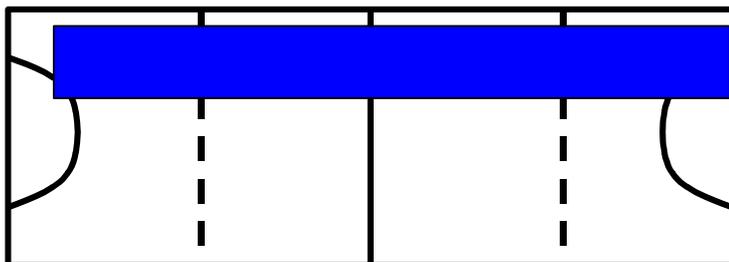

- * Be a pivot player & feed right side forwards with hard hit across ground.
- * Link with left inner, & develop left side attack & score goals!!
- * Take free hits & side line hits in attack 25, extreme corner & goal line.
- * Lead from sideline into ground to create space on wing.
- * Push up to put pressure on opposing full back & H/B's.

In Defence

- * React immediately & face all free hits in your zone. 5 yards from hit with stick on ground, eyes on ball.
- * Continue above back to 25yd defence zone.

Attack Zone

Defence Zone

RIGHT HALF BACK

In Possession

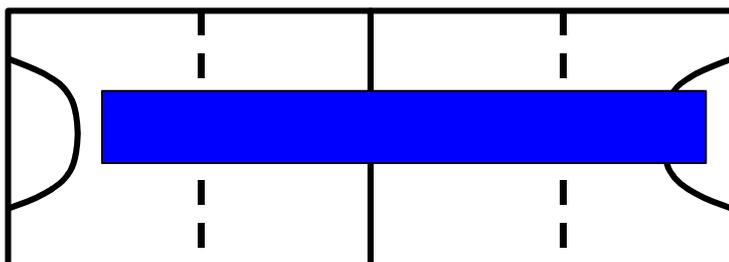

- * Take free hits and sideline hits in midfield & attack
- * Feed ball to the fwds. even across the ground but esp. right.
- * Support right side fwds. being available for back pass.
- * Make gap for R/Full back to hit through on midfield side zone.

In Defence

- * Prevent left side attack.
- * Mark opposing wing so you can see L. wing & ball at the same time & be closer to our goal than L.W.
- * Cover R/Full Back in defence or goal keeper if one is in one on one.

Attack Zone

Defence Zone

CENTRE HALF BACK

In Possession

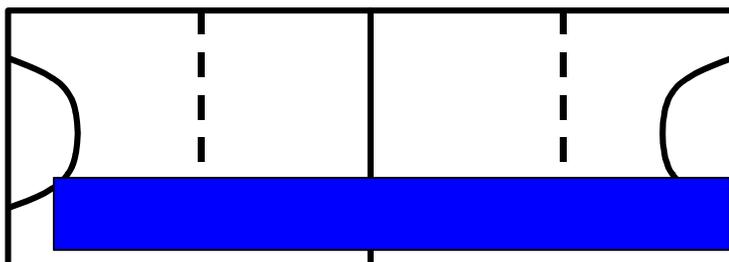

- * Take centre attack midfield free hits.
- * Be available square of H/Backs for passing alternative.
- * Feed right side 70% of time. (RW,RI,CF). Use left side as alternative.
- * Make gap for F/B to hit through in defence midfield centre.

In Defence

- * Mark opposing centre fwd. So you can see both them & the ball at the same time & are closer to our goal than they are.
- * Support Full Backs if necessary.
- * Prevent centre field attack.

Attack Zone

Defence Zone
